Dear members of the American Chamber of Commerce –Norway,

I would like to thank all of you for giving the proceeds from the Thanksgiving charity raffle to support the work of Stine Sofies Stiftelse.

Since 2000, the foundation has worked tirelessly to prevent and uncover violence and abuse against children. The foundation has also since its humble beginning been a fearless advocate for improving the rights of abused children. Much has been accomplished throughout the years. Unfortunately, we still have a long way to go before abused children receive the support and attention they need and deserve.

However, the money received from all of you is an important contribution in the continuation of the work against violence and abuse.

Thank you so much for your support!

Best regards,

Ada Sofie Austegard
Managing director and founder of Stine Sofies Stiftelse
