An email confirmation will be sent upon registration.

AmCham and International Corporate Art cordially invite you and your guest to a warm evening of sun-kissed American wines! Our dynamic importer partners will present numerous classic and exciting wines from a diverse selection of US wine regions.

[International Corporate Art](#) works on every required element of a successful commercial art project, from creative concepts and planning to final production and expert installation. Discover new favorite American wines while visiting this unique work space that delivers expert art installations to 180 cruise ships and businesses globally.
