

Rising Leaders – 2019/20 Application Form

Rising Leaders is an initiative of the Embassy of the United States of America and the American Chamber of Commerce in Norway (AmCham) that provides an exciting arena for up-and-coming young leaders to collaborate with high-level representatives of the Norwegian business community. The program holds quarterly events that develop participants' communication, leadership, and business skills through workshops, seminars, and networking sessions led by AmCham member companies. In addition, the program holds a wide range of social gatherings throughout the year.

The Embassy and AmCham will select up to 20 participants for the 2019/20 cycle of the program. Ideal candidates are under the age of 30, have a diverse, international background, and have a track record of academic, business, and/or entrepreneurial excellence. In short, we are looking for innovators, change makers, and creative thinkers – leaders that will shape the future of the transatlantic economy and take on the world's most pressing issues. For more information on the Rising Leaders program, please visit <https://amcham.no/rising-leaders-2018-2019/>.
