

Oslo 28.11.2023

Dear Members of American Chamber of Commerce Norway,

Make-A-Wish Norge is so grateful for being so fortunate to be selected as the charitable partner for this year's AmCham's annual Thanksgiving Charity Dinner. What an amazing evening that unfolded!

It's heartwarming to see how businesses and organizations can come together to create a positive impact in our community. This Thanksgiving season is a time of giving and gratitude. Make-A-Wish fulfills life-changing wishes and creates magical moments for children and young people aged 3-18 living with life-threatening illnesses in Norway.

Your generous AmCham Thanksgiving Charity Dinner contribution of NOK 125 000 will be used for our wish kids who want to go to America to have their wishes come true! Wishes have proven physical and emotional benefits that can provide children with critical illnesses an increased chance of survival. When a wish is granted, it replaces a child's fear with confidence, sadness with joy, and anxiety with hope.

First out is Edvard (18) who has had a difficult time, being diagnosed with a brain tumor and losing his father at the same time. He will meet Dude Perfect in Dallas, medio January 2024.

Next is Robin (11) HSP, who will get the chance to see Transformers and Star Wars in Florida, and stay at Give Kids the World during spring 2024.

To really grow at the scale these children deserve, we are looking to partner with leading organizations. Please feel free to reach out if you want to volunteer or if your company would like to help us in our mission.

I wish you all an amazing holiday season – and I look forward to keeping in touch with you going forward. Please follow us on [makeawishno](#) on Instagram, Make-A-Wish Norge on LinkedIn and Facebook.

Med vennlig hilsen
Kristin Anderssen
